COMMUNITY RESOURCES

This is a new area of work for Familias en Accion. We have two projects with multiple partners serving clinics in NE Portland and in SE Portland. The Resource Desk project provided multi-cultural staff in two clinics to connect patients to resources when they are at their medical appointments. Doctors founds that having the services onsite, improved the connection for patients receiving the resources they needed to achieve their health outcomes. The second project focused on Food Insecurity and provided resources to address food and other needs that families identified in medical visits. This project included individual navigators visiting families in their homes to identify all of the needs. We served about 15 families with the Food Insecurity project.
